

COUNCIL *of*  
MOSQUES  
Tower Hamlets

**MOSQUE DIRECTORY**

## Introduction

The Council of Mosques - Tower Hamlets (CoM) was established in April 2001 to foster communication between local mosques, the wider community, and service providers. Formally constituted in July 2002, it acts as an independent body representing mosques and Islamic centres, focusing on promoting social harmony, offering guidance on planning, health, and safety, and supporting its members. In 2008, the CoM gained charity status.

Central to our approach is building strong partnerships through genuine collaboration, acting as a key conduit of information between the Muslim community and government bodies, especially Tower Hamlets Council. We aim to strengthen links between the public, mosques, and local service providers, while building the professional capacities of our members, consulting on local issues, and supporting community cohesion initiatives.

This directory, published in partnership with Tower Hamlets Council, serves as a practical guide to help people access places of worship and enhance connections between mosques, local services, and the broader community.

This is the third version of this valuable resource.

- 1<sup>st</sup> version 2002 – 25 mosques
- 2<sup>nd</sup> version 2013 – 45 mosques
- 3<sup>rd</sup> version 2024 – 53 mosques
